Reasons for Allowance

1. Examiner has reviewed and considered Applicants comments as indicated on pages 5 and 6 of Applicant's response dated 11/22/2004 and per Applicant's comments, regarding claims 1 –7,16,17, 22 – 24 claims are now in condition for allowance.

The following is an Examiner's statement of reasons for allowance.

The prior art of record does not teach or fairly suggest at least:

"...first module to create an object of the base class is executed during program execution, the program execution after the compiling of the first source file, the creation of the object of the replacement class occurring without recompiling the first source file", as best illustrated by figure 3, in such a manner as recited in independent claims 1,16, and 22, and as pointed out in page 5, last paragraph to page 6, 1st paragraph of Applicant's response.

Therefore, claims 1 –7,16,17, 22 – 24 are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
